**Subject:** Comments from Carlos and Katherine Lemos @ 3933 Spring St. NE. Solon IA

Please note:

After a careful review of the draft FONSI and EA we believe that the site should NOT be leased as proposed for Alternative 1-. 33-5

It is our opinion that alternative 3 is more in line with the needs of the community and the overall wishes of the local residents. 2-9

Please let our opinion count.
